## **Product Datasheet**

## Anti-NGL-2/LRRC4 Antibody FL650 Conjugate

## Overview

- · · ·	
Catalog #	75-084-FL650
Conjugate	FL650 Ex: 655 nm, Em: 676 nm
Isotype	lgG1
Clone Number	N50/36
Size	200 μL
Concentration	0.5 mg/mL
Host Species	Mouse Monoclonal
Format	Purified by Protein A chromatography
Buffer	PBS with 0.09% azide
Applications	ICC, IHC
Species Reactivity	Mouse and Rat
Immunogen	Fusion protein amino acids 550-652 of mouse NGL-2 (accession number AAG60620) produced recombinantly in E. Coli
Molecular Weight	100 kDa
Cite this Antibody	Antibodies Inc Cat# 75-084-FL650, RRID: AB_2939323
Details	
Details Target Description	Leucine Rich Repeat Containing 4 is encoded by the gene LRRC4. LRRC4 is a synaptic adhesion protein that regulates the formation of excitatory synapses through the recruitment of pre and postsynaptic proteins. LRRC4 organizes the lamina pathway-specific differentiation of dendrites, and plays an important role in auditory synaptic responses. LRRC4 is expressed in the brain. LRRC4 is significantly downregulated in primary brain tumors.
	protein that regulates the formation of excitatory synapses through the recruitment of pre and postsynaptic proteins. LRRC4 organizes the lamina pathway-specific differentiation of dendrites, and plays an important role in auditory synaptic responses. LRRC4 is expressed in the brain. LRRC4
Target Description	protein that regulates the formation of excitatory synapses through the recruitment of pre and postsynaptic proteins. LRRC4 organizes the lamina pathway-specific differentiation of dendrites, and plays an important role in auditory synaptic responses. LRRC4 is expressed in the brain. LRRC4 is significantly downregulated in primary brain tumors.</li> <li>No cross-reactivity against NGL-1 or NGL-3</li> <li>Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity</li> </ul>

## **Our Guarantee**

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
