## **Product Datasheet**

## Anti-MPP8 Antibody FL490 Conjugate

## Overview

Catalog #	75-154-FL490
Conjugate	FL490 Ex: 491 nm, Em: 515 nm
Isotype	lgG2b
Clone Number	N119/44
Size	200 μL
Concentration	0.5 mg/mL
Host Species	Mouse Monoclonal
Format	Purified by Protein A chromatography
Buffer	PBS with 0.09% azide
Applications	ICC
Species Reactivity	Human
Immunogen	Fusion protein amino acids 50-120 (Chromo domain) of human MPP8 (accession number Q99549) produced recombinantly in E. Coli
Molecular Weight	100 kDa
Cite this Antibody	Antibodies Inc Cat# 75-154-FL490, RRID: AB_2939568
-	
Details	
	M-Phase Phosphoprotein 8 is encoded by the gene MPHOSPH8. MPHOSPH8 is a heterochromatin component that specifically recognizes and binds methylated 'Lys-9' of histone H3 (H3K9me) and promotes recruitment of proteins that mediate epigenetic repression. MPHOSPH8 is expressed in the brain. Diseases associated with MPHOSPH8 include Charcot-Marie-Tooth Disease.

Details Target Description	M-Phase Phosphoprotein 8 is encoded by the gene MPHOSPH8. MPHOSPH8 is a heterochromatin component that specifically recognizes and binds methylated 'Lys-9' of histone H3 (H3K9me) and promotes recruitment of proteins that mediate epigenetic repression. MPHOSPH8 is expressed in the brain. Diseases associated with MPHOSPH8 include Charcot-Marie-Tooth Disease.
Details Target Description Specificity	M-Phase Phosphoprotein 8 is encoded by the gene MPHOSPH8. MPHOSPH8 is a heterochromatin component that specifically recognizes and binds methylated 'Lys-9' of histone H3 (H3K9me) and promotes recruitment of proteins that mediate epigenetic repression. MPHOSPH8 is expressed in the brain. Diseases associated with MPHOSPH8 include Charcot-Marie-Tooth Disease. No cross-reactivity reported Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity

## **Our Guarantee**

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
