

Product Datasheet

Anti-Mitofusin-1 Antibody FL550 Conjugate

Overview

Catalog #	75-162-FL550
Conjugate	FL550 Ex: 550 nm, Em: 575 nm
Isotype	IgG1
Clone Number	N111/24
Size	200 μ L
Concentration	0.5 mg/mL
Host Species	Mouse Monoclonal
Format	Purified by Protein A chromatography
Buffer	PBS with 0.09% azide
Applications	ICC
Species Reactivity	Mouse and Rat
Immunogen	Fusion protein amino acids 350-580 of mouse Mitofusin-1 (accession number Q811U4) produced recombinantly in E. Coli
Molecular Weight	80 kDa
Cite this Antibody	Antibodies Inc Cat# 75-162-FL550, RRID: AB_2939601

Details

Target Description	Mitofusin 1, or transmembrane GTPase Mfn1 (MFN1) is a mitochondrial membrane protein with GTPase activity that functions to aid mitochondrial clustering and fusion. It may also play a role in mitochondrial metabolism. It is expressed in the outer membrane of mitochondria in many tissues, including heart and testis. Diseases associated with MFN1 include Optic Atrophy 1 and Autosomal Recessive Spastic Paraplegia .
Specificity	No cross-reactivity against Mitofusin-2
Purification Method	Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity chromatography and conjugation of purified mAb. Purified mAbs are >90% specific antibody.
Quality Control Tests	Each new lot of antibody is quality control tested on cells overexpressing target protein and confirmed to give the expected staining pattern.
Storage	Aliquot and store at $\leq -20^{\circ}\text{C}$ for long term storage. For short term storage, store at $2-8^{\circ}\text{C}$. For maximum recovery of product, centrifuge the vial prior to removing the cap.

Our Guarantee

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
