

Product Datasheet

Anti-Dicer Antibody FL594 Conjugate

Overview

Catalog #	75-196-FL594
Conjugate	FL594 Ex: 594 nm, Em: 615 nm
Isotype	IgG1
Clone Number	N167/7
Size	200 µL
Concentration	0.5 mg/mL
Host Species	Mouse Monoclonal
Format	Purified by Protein A chromatography
Buffer	PBS with 0.09% azide
Applications	ICC, IHC
Species Reactivity	Human, Mouse, and Rat
Immunogen	Fusion protein amino acids 1638-1899 of mouse Endoribonuclease Dicer (accession number Q8R418) produced recombinantly in E. Coli
Molecular Weight	215 kDa
Cite this Antibody	Antibodies Inc Cat# 75-196-FL594, RRID: AB_2939726

Details

Target Description	Endoribonuclease Dicer or Dicer 1, Ribonuclease III is encoded by the gene DICER1. DICER1 acts as a double stranded (ds) ribonuclease and plays a role in short post transcriptional gene silencing. DICER1 cleaves full length dsRNA and miRNA into smaller molecules 21-23 nucleotides in length, called siRNAs and microRNAs. Dicer1 is expressed in a variety of tissues, including brain. Diseases associated with this gene include Pleuropulmonary Blastoma, Glow Syndrome and Wilms Tumor.
Specificity	No cross-reactivity reported
Purification Method	Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity chromatography and conjugation of purified mAb. Purified mAbs are >90% specific antibody.
Quality Control Tests	Each new lot of antibody is quality control tested by western blot on rat whole brain lysate and confirmed to stain the expected molecular weight band.
Storage	Aliquot and store at ≤ -20°C for long term storage. For short term storage, store at 2-8°C. For maximum recovery of product, centrifuge the vial prior to removing the cap.

Our Guarantee

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
