Product Datasheet

Anti-GABA-A-R-Alpha5 Antibody FL594 Conjugate

Overview

Catalog #	75-401-FL594
Conjugate	FL594 Ex: 594 nm, Em: 615 nm
Isotype	lgG1
Clone Number	N415/24
Size	200 μL
Concentration	0.5 mg/mL
Host Species	Mouse Monoclonal
Format	Purified by Protein A chromatography
Buffer	PBS with 0.09% azide
Applications	ICC, IHC
Species Reactivity	Human, Mouse, and Rat
Immunogen	Fusion protein amino acids 368-419 (last cytoplasmic domain before extracellular C-terminus) of human GABA-A-R-Alpha5 (accession number P31644) produced recombinantly in E. Coli
Molecular Weight	55 kDa
Cite this Antibody	Antibodies Inc Cat# 75-401-FL594, RRID: AB_2940322
Details	
Details Target Description	Gamma-Aminobutyric Acid Type A Receptor Alpha5 Subunit or GABA(A) Receptor, Alpha 5 is encoded by the gene GABRA5. GABAA receptors are members of the Cys-loop family of ligand- gated ion channels. GABA AR alpha 5 is a subunit of the pentameric GABA receptors where GABA is the major inhibitory neurotransmitter in the vertebrate brain and mediates neuronal inhibition by binding to the GABA receptor and opening an integral chloride channel. GABA AR alpha5 is highly expressed in brain at the cell junction, synapse, postsynaptic cell membrane and cytoplasmic vesicle membrane. Disorders involving the GABRA5 gene include Angelman Syndrome, Prader-willi syndrome and childhood absence epilepsy.

Storage

Aliquot and store at \leq -20°C for long term storage. For short term storage, store at 2-8°C. For maximum recovery of product, centrifuge the vial prior to removing the cap.

Our Guarantee

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
