Anti-NCKX4 Antibody FL490 Conjugate

KO Validated

Overview

| Catalog # | 75-404-FL490 |
|--------------------------------|--|
| Conjugate | FL490 Ex: 491 nm, Em: 515 nm |
| Isotype | lgG2b |
| Clone Number | N414/25 |
| Size | 200 μL |
| Concentration | 0.5 mg/mL |
| Host Species | Mouse Monoclonal |
| Format | Purified by Protein A chromatography |
| Buffer | PBS with 0.09% azide |
| Applications | ICC, IHC |
| Species Reactivity | Human, Mouse, Rat, and Zebrafish |
| Immunogen | Fusion protein amino acids 246-424 (third intracellular loop) of human NCKX4 isoform 3 (accession number Q8NFF2-3) produced recombinantly in E. Coli |
| Molecular Weight | 60 kDa |
| Cite this Antibody | Antibodies Inc Cat# 75-404-FL490, RRID: AB_2940332 |

| Details | |
| Details Target Description | Sodium/potassium/calcium exchanger 4, Na(+)/K(+)/Ca(2+)-Exchange Protein 4 or NCKX4 is encoded by the gene SLC24A4. NCKX4 is a member of the potassium-dependent sodium/calcium exchanger protein family. NCKX4 is thought to play roles in olfactory function and in tooth enamel formation. It is expressed in the aorta, lung, thymus and brain, particularly enriched in neurons. Diseases associated with SLC24A4 include cause amelogenesis imperfecta. |

| Target Description Specificity | encoded by the gene SLC24A4. NCKX4 is a member of the potassium-dependent sodium/calcium exchanger protein family. NCKX4 is thought to play roles in olfactory function and in tooth enamel formation. It is expressed in the aorta, lung, thymus and brain, particularly enriched in neurons. Diseases associated with SLC24A4 include cause amelogenesis imperfecta. Does not cross-react with NCKX2 or NCKX3 Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity |

Our Guarantee

As an original manufacturer, we are dedicated to creating quality and reproducible antibodies that further your research. We provide personalized customer support from the scientists that made the antibody and offer a free replacement or 100% refund if we cannot resolve an issue. Order today and experience our 50+ year passion for science.

Note: For research use only. Not intended for therapeutic or diagnostic use. Use of all products is subject to our terms and conditions, viewable on our website.
