

Power When You Need it - Where You Need it.

The FC-760 Family delivers subtle but strong power solutions to the areas where guests may need it most. With a sleek, clean face, this product is ideal for in-surface applications - even soft seating. And with Tamper Resistant Receptacles, a USB-C port and the ability to interchange the power cord placement from the bottom to the side, you can be sure to deliver a safe, one of a kind experience.
