

FC-770

Relax & Recharge.

When your guests travel for work, having reliable power is essential to their stay. The FC-770 Series delivers a luxurious guest room experience by offering a sleek design without sacrificing function. With nearly flush Tamper Resistant Receptacles, a powerful USB-C port, and the ability to interchange the power cord placement (through the bottom or the side), the FC-770 surpasses expectations, providing safe, reliable power for your hospitality space.
