

# 6-PIN PLUG TO DUAL GA PLUGS INSTRUCTION SHEET

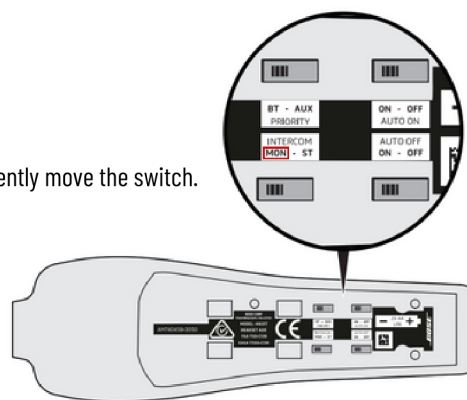

Converts any aviation headset with a standard 6-pin LEMO plug to dual plugs for use. Simply plug your 6-pin connector from your aviation headset into this adapter to convert your headset to dual plugs that can be used in any fixed-wing aircraft.

## Instructions:

1. Open your headset battery compartment.
2. Remove batteries if installed.
3. Slide the Intercom (MON - ST) dip-switch to the **'MON'** position.
4. To change a switch position, use a pen or a small, flat-tipped screwdriver to gently move the switch.

## Features:

- Keyed locking mechanism to prevent accidental disconnection
- 6 Position female circular connector receptacle
- PJ-055 / PJ-068 standard general aviation twin plugs
