46 YEARS EXPERIENCE, AND COUNTING...

SCT Furnishing has a long history of bringing Filipino craftsmanship to the world. We began our journey in 1977 and have not looked back.

We are a family owned and operated businesses based in Manila, with two city based manufacturing facilities capable of supporting high volume domestic and export orders. SCT Furnishing also operates a Philippines based retail business Contempo Designs.

We pride ourselves in hiring highly skilled craftspeople, and investing in the development of our team. With an average tenure of 30 years amongst our core staff, you can rest assured you will be working with an experienced team.

SCT Furnishing is divided into two specialist areas; Furnishing and Handicrafts (e.g. basketry and fashion accessories). We also have an integrated design studio available for clients looking for specialized design or styling support.

Thank you for trusting SCT Furnishing with your business. We are confident you will be thrilled with our work, and look forward to bringing your products and projects to life.

Jodie & Melissa

About Us

HISTORY

SCT Furnishing is a third generation family owned and operated business established in Manila in 1977 by Salvador C Tan,

SCT furnishing was operated by Salvador's son, Tommy K Tan, for more than 40 years.

During 80's, 90's and early 2000's Tommy expanded the business, and established long standing relationships with clients locally and throughout Japan, America, and Europe..

Today SCT Furnishing is managed by Tommy's daughter Melissa, and daughter in law Jodie, both of whom carry on SCT's commitment to manufacturing high quality products, and bringing Filipino craftsmanship to the world.

MELISSA MAE TAN NG

Melissa is an award winning architect, and furniture designer with 12 years professional experience.

Having been born with SCT Furnishing in her blood, Melissa has a deep understanding and respect for the company, our long serving employees, and loyal clients.

Melissa had been consulting on, and designing furniture for SCT for more than 5 years prior to taking on a senior management position with SCT

JODIE CAINES TAN

Jodie is the newest addition to our SCT Furnishing family and brings 20 years corporate experience with her.

Jodie's background is in operational design and management, as well as extensive experience managing productivity initiatives .

Jodie had been working closely with staff at SCT Furnishing for 3 years prior to taking on a senior management position.

Home furnishings

CUSTOM DESIGNS

These are just some examples of custom work we have produced recently. Note: All images shared with client permission.

DESIGN

Some clients come to us with a pre designed and detailed product ready for manufacturing, while others are looking for support while working through their prototyping phase. Where ever your business fits on this spectrum we can support you.

We have an integrated design studio headed by award winning furniture designers who will happily work through your product ideas with you.

IMPORTANT

We respect our clients confidentiality and copyright entitlements. We do not share images, design specifications, or our clients confidential information without express written consent.

OUR CLIENTS

We have worked with numerous clients including corporate, retail and personal.

and more.
