## ARISE

ENERGIZE + UPLIFT

ARISE stands out with its exceptional blend of 100% pure essential oils, featuring invigorating peppermint, revitalizing calamansi, zesty dalandan, vibrant orange, and uplifting bergamot.

ARISE awakens your senses with its refreshing citrus aroma, providing an instant mood lift and mental clarity.

## UNWIND

RESET + RELAX

At the heart of UNWIND lies its precious treasure - 100% pure lavender essential oil. UNWIND's gentle, soothing properties derived from lavender essential oil provide an instant sense of relaxation, helping you release stress and tension from your body and mind.

## CLEANSE

REFRESH + RENEW

The CLEANSE series is amped up with a unique blend of 100% pure essential oils. This invigorating blend includes tea tree, peppermint, and lemongrass. In addition to cleansing, the antibacterial prowess of tea tree oil, combined with the refreshing sensation of peppermint and anti-inflammatory properties of lemongrass, collaborate to disinfect your skin, fostering overall skin health.

## PROTECT

DEFEND + HYDRATE

PROTECT hand sanitizer has 65% sugarcane alcohol with a unique blend of pure peppermint, tea tree, and eucalyptus essential oils. Protect's primary role is to provide potent antibacterial protection. It serves as your shield against harmful microorganisms, effectively cleansing and purifying your skin.

# What is clean beauty?

**Clean beauty** focuses on the creation of body care products that do the job while prioritizing the health of people and the planet. Its formulations do not use ingredients that, through scientific studies, point to any possibility of these having human and environmental health hazards.

**For Keeps is a proudly Filipino** brand that takes pride in strongly adhering to a clean beauty philosophy in the formulation of its products.

Every product is **intentionally made** primarily keeping the health of people and the earth in mind. Our materials are sourced predominantly from local manufacturers.

# *the Key to sustainable living*

For Keeps Clean Beauty Skincare has partnered with eco-aware companies such as *Plastic Flamingo*, *My Basurero*, and *Green Antz*, who collect and transform plastic waste into a range of sustainable construction materials.

We encourage our customers to not only reuse the bags, totes, and baskets that our products come in, but to also send their empty and used bottles and packaging materials to our retail partners drop-off points for proper recycling.
