Why Hire from Musclemania Fitness Pty Ltd? Quality equipment at the best prices!

- We are Fitness Specialists with a background of over 30 years in this industry.
- We are a family - owned and operated Company which started locally in 1988
- We hand select the fitness equipment range we carry and endorse
- Our Hire fleet is well maintained and in new or as new condition. We do not hire out old, noisy, low quality equipment. If for any reason you are not happy with the equipment we deliver to you, tell us and we will change it over or fix the problem.

We are a small family-run local business who care about our customers. We endeavour to provide a friendly, professional service and quality products at a fair and reasonable price.

You have an option to buy and receive 100% of your hire fee off the purchase price of the equipment in the 1st month of the hire term! You may choose to buy the equipment hired at any time thereafter (during your hire contract) and you will receive 50% of the 3 month or 6 month hire fees you paid off the purchase price. Or you can use your hire fee discount to put towards purchasing an upgrade of the same equipment.

SHOWROOM

There are many fitness equipment stores that are solely based online or are only distributors from storage warehouses, along with assorted other products from China. They are not exercise equipment specialists.

This comes as a great risk for consumers, when it comes to warranty and spare parts you may not be able to contact them. We are a bricks and mortar fitness equipment store located in Sydney since 1988 and have been in the same location for over 21 years. Thus, if you have any questions or issues you know where to locate us.

DELIVERY

We offer full delivery and pick-up services of your hire equipment, including full in-home instructions on how to use your product correctly. This is a one off charge paid upfront at time of hire. Call us for a quote to your area. We do not require a cash bond, only a valid Credit card and a valid form of identification (eg. Driver's Licence) in order to hire from us.
