

## T600E Treadmill

The refined design of our T600E Treadmill combines performance and durability with advanced console technology for exercise that entertains. A powerful motor and an extra-large running surface accommodate hard workouts, and heavy-duty components stand up to hard use. The large touchscreen console elevates the experience with popular apps, exclusive workout programs and streaming entertainment.

- An expanded 152 x 55.4 cm / 60" x 22" running surface lets exercise enthusiasts of all kinds sprint comfortably.
- 12 preset workout programs — including heart rate training — keep every exercise experience fresh and challenging.
- A heavy-gauge welded steel frame provides excellent stability during hard runs and durability that withstands years.
- Conveniently positioned contact grips and a built-in wireless receiver offer easy heart rate tracking (chest strap not included).
