

2024 Fundraising Day Application Form

Each year, our Board of Directors considers applications from local, registered Canadian charities for requests to have a fundraising day at Portage MCC. Applicants are accepted based on a variety of criteria including location, values, and connection to Portage MCC. Successful applicants will be given an opportunity to have a special day at Portage MCC to promote their work, along with a monetary donation representing a portion of the day's sales. As there are a limited number of fundraising days available, applications should be received by year-end to be considered in time for the following year.
