

## INTRODUCING OUR NEW SPINNER DISPLAY TOPPERS!

We've given our spinners a fresh new look with the added convenience of selling both postcards and our brand new stickers. Our stickers come in the same size as our postcards, 3.5 inches by 5.5 inches, making them the perfect complementary item to display alongside each other.

There are three spinner toppers: Postcards, Stickers, and Postcards & Stickers. That way whatever you put in the display, we've got you covered! If you already have a display, simply let us know and we will send you a set of our new spinner toppers absolutely free! ([info@foundimage.com](mailto:info@foundimage.com))

Don't have a display yet? No problem! We are happy to help you out and can provide you with a display at no extra cost when you add it to your qualifying order of postcards and/or stickers (see below for qualifying order minimums).
