

ABOUT US

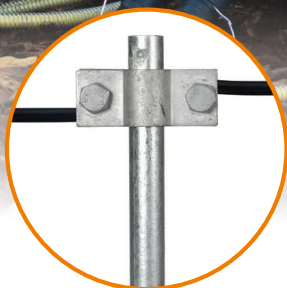

We are a global leader in the innovation and marketing of animal management, security, fuel systems and contract manufacturing solutions. Our customers and their needs inspire us to create new possibilities adding value to their business.

WEIGH SCALES AND DATA COLLECTORS

Not having the correct scale can account for hours of lost time!

We have a simple solution.

Gallagher Weigh Scales and Data Recorders range from an entry-level automatic weighing model through to the most advanced weighing and data collection systems available.

ANIMAL MANAGEMENT FENCING SYSTEMS

Electric fencing systems for animal management. We offer a selection of hard and soft under gate cable options, all of which are double insulated for better protection and longer life.
