DUAL OFF*

SELECT YOUR FAVORITE MODE
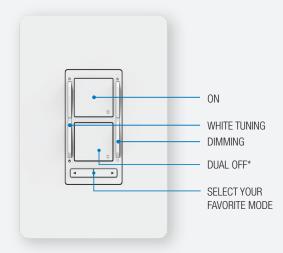

*Single click off, and still control the lights from the WiZ app or through smart speakers. Hold for 5 seconds to cut the power for maintenance.

CONTROL IT ALL FROM THE WALL

With the SPEX Smart Room Controller you can control all WiZ connected lights in unison even if the Wi-Fi is down.

♡ Set up to 4 favorite modes, controlled from the Room Controller, the WiZ app or smart home speakers.

☼ WiZ has preset dynamic light modes that rotate through color combinations that create an immersive experience.

PAIRS PERFECTLY WITH ALL WIZ CONNECTED PRODUCTS

- Control all WiZ connected products including Philips WiZ bulbs and fixtures
- Toggle through scenes and all the bulbs will adjust together
- Dim all the bulbs at once instead of individually

COMPATIBLE WITH

works with Hey Google

WORKS WITH alexa

Works with SmartThings

Works With Siri Shortcuts

Works with IFTTT

EASY SETUP

Install SPEX Smart Room Controller, along with WiZ connected fixtures.

Connect lights to the Room Controller within WiZ app

Once connected, all lights can be controlled from the Room Controller itself, the WiZ app and smart home speakers
