

TEAMWEAR BROCHURE

MISSION STATEMENT

Our moto is Veni - Vidi - Vici, which translates to I came, I saw, I conquered: VX3 look to empower our athletes and teams to achieve success. It's not just on the field of play that we aim to achieve high standards, from design to production to delivery we strive to maintain an unrivalled level of customer service, as well as supporting our teams and players away from the pitch.

We make sure that whatever your goal, you are always.

#Equipped to Conquer

BALLS

Our rugby balls and netballs use a technical latex bladder providing greater elasticity and longer lasting inflation. The superior grip allows our balls to be used in all weather conditions so there is no need to fear of them slipping out of your hand.

BAG COLLECTION

With several zipped compartments for organising your belongings our backpacks and kitbags are the perfect items to use to carry your kit or essentials. Made from 100% polyester material, VX3 element proof technology ensures the fabric is water resistant so you can keep the contents inside dry. The adjustable shoulder straps allow for carrying of heavier loads and come with padding to keep the wearer comfortable without overheating. Mesh pockets and sleeves allow for storing of various items.
