C5i Upright Bike

Put your best foot forward with the LifeSpan C5i stationary upright bike. The C5i offers a superior combination of durability, comfort, innovative features, and best of all, it won't break the bank. Designed with the end user in mind, this upright cycle delivers an impact-free workout with the comfort of the oversized, padded seat. Your ride will be so comfortable you won't want your workout to come to an end. And with the large selection of exercise programs, it won't have to. There's an endless number of rides available at your fingertips. And once your workout finally comes to an end, you can unload and view all your exercise data to your smartphone with built-in Bluetooth capabilities.
