

CarePod™ Shelves

Maximize Interior Storage

Configure CarePod Wall-Mounted Workstations to meet your facility's storage needs with our custom-fit shelves. Available in various sizes to accommodate essential supplies, each shelf securely locks into place via the preinstalled rail system inside every CarePod.

Features:

- Increases CarePod interior storage capacity
- Crafted of durable powder-coated steel
- Lip on the shelf's outer edge can be installed pointing up or down
- Locks easily and securely into the CarePod interior rail system

Various Sizes | Quick, Easy Installation

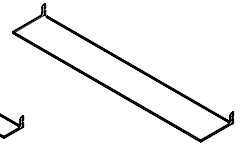

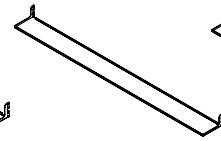

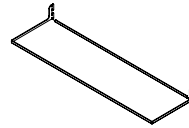

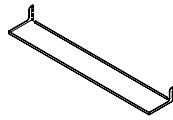

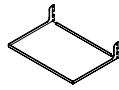

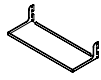

Store even more in every CarePod with an extra shelf or two. Crafted of durable powder-coated steel and designed specifically for our wall-mounted workstations, these sturdy shelves are available in various sizes. Create custom configurations that maximize storage possibilities.

Installation is easy, with the shelves quickly and securely locking into place with the preinstalled interior CarePod rail system. The shelves' outer edge can be oriented up—creating a tray to better to secure items—or down, as preferred.

CarePod™ Shelves

Maximize Storage Capacity

Crafted of durable powder-coated steel, CarePod Shelves are designed to withstand heavy everyday use, cleaning, and disinfection.
