

FlexFit® MOBILE CHART RACKS

FlexFit mobile chart racks are a smart solution for storing and transferring patient records in any healthcare facility. They feature angled shelves that securely fit any size chart binder or clipboard, and with optional dividers you can keep charts firmly in place and create sections/slots to optimize organization. These durable racks are made from heavy duty 18-gauge steel to withstand heavy use in the most demanding work environments.

FEATURES:

- 1" shelf lip for easy labeling
- Durable smooth-glide casters (2 w/locks)
- Top shelf can be used as a work surface or to store an order rack (2 and 3-shelf models only)
- Sleek silver color
- Adjustable dividers for added security and organization, sold separately
- 3-year warranty, made in the USA of U.S. and imported parts

Available in a variety of sizes
