

REAR GALLEY ORGANIZER

INSTALLATION INSTRUCTIONS

LET 'S GO!!

Thank you for your purchase. This is an easy install but please read these installation instructions before getting rolling with this project.

Take your time and be mindful with the tools as personal harm and/or damage is possible if you're not careful.

Only install this product with the supplied hardware as substituting or modifying hardware could damage your awesome rig.

Thank you for supporting the overlanding community. We are jealous that we can't join you out on the open road and beyond, but sincerely hope this product will enrich your travels.

- Your friends at Flarespace

PARTS INCLUDED:

- 1. (1) Rear Galley Organizer**
- 2. (4) #8 X 1/2" Black Wafer Head Stainless Steel Screws.**

TOOLS NEEDED:

- 1. Painter's Tape**
- 2. Drill with #2 Phillips Bit or #2 Phillips Screwdriver**

STEP 1

Hold Organizer in place and line up against bottom edge of galley tabletop.

Tech note: Use painter's tape to hold in place or have a buddy help.

STEP 2

Starting with top left corner, use (2) screws to attach top of Organizer.

STEP 3

Finish the bottom by pulling organizer tight and installing the remaining (2) screws.

STEP 4:

And that's it! Your job is complete. Now, find a pocket for all your stuff!

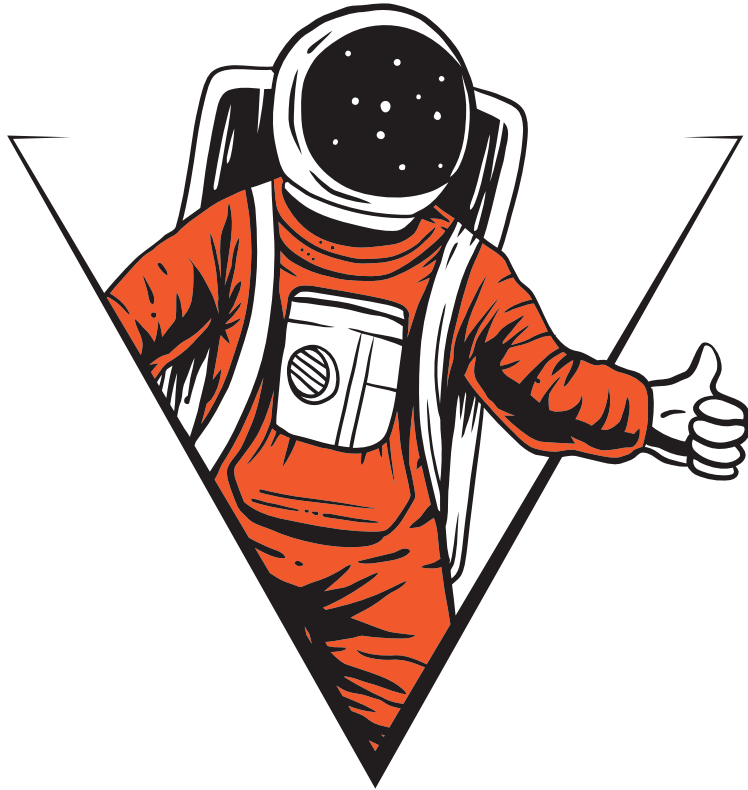

REAR GALLEY WARRANTY:

Flarespace teamed up with Overland Gear Guy to produce these amazing products. OGG makes quality, durable gear that they stand behind. Their products are of top-notch workmanship, but if by chance any Overland Gear Guy products fail due to manufacturing or workmanship, they will repair or replace the item (at their discretion) free of charge. Overland Gear Guy's Lifetime Workmanship Warranty does not cover such things as damage from normal wear and tear, damage from customer modification and/or tampering, misuse, or abuse. Warranties are non-transferable.

TO SUBMIT WORKMANSHIP WARRANTY CLAIMS:

Email an explanation of the issue as well as detailed pictures to sales@overlandgarguy.com. You will receive a response within one business day. If the claim is deemed a workmanship manufacturing defect, you'll receive a Return Authorization Number with further instructions. Please note that the customer is responsible for return shipping fees.
