Events & Functions Packages

Thank you for considering our beautiful venue for your event.

Provenance Wines is a family owned business, located in the unique Fyansford Paper Mill precinct, on the banks of the Barwon River on the outskirts of Geelong (just 2 kilometres from the Geelong Ring Road and 12 minutes from Geelong's CBD).

An extensive renovation to the heritage-listed 1870s bluestone building was completed in March 2018. The result is a modern facility that retains its historic integrity and charm. The building boasts views of Buckley Falls and a functioning winery where award-winning Provenance wine is made.

We will work with you to ensure that your event will be remembered for its originality. The magnificent building, and responsive, personalised service are perfect ingredients for a truly great function.

Please contact us via email at events@provenancewines.com.au for an appointment to look over the venue and to discuss ways in which we can customise your private or corporate event.
