VOLTAWAY 

CLOSE TO YOUR NEEDS

Founded on the **Basque Coast** in 2012, Voltaway conceives **soft mobility** solutions using the best compounds brands available. Thanks to our **exclusive designs and inovative concepts**, Voltaway distributes one of the most advanced e-vehicules on the market.

Voltaway e-bikes and e-skateboards offer a **green mobility solution** for all life explorers in an age where we make our best efforts to **protect all aspects of the environment** !

In an environment where air pollution and traffic congestion dominate the news, **we change the way you navigate** to make your life a **smooth ride** !

Our goal : make your daily ride an **adventure**, combining design, quality and performance to our **ocean/outdoor lifestyle approach**.

ENJOY YOUR JOURNEY !
