

# HOW TO CONNECT YOUR BOTTLE

1

Check hoses for  
damage if present.  
DO NOT USE

Ensure fittings are  
clean & intact

2

3

Connect Appliance &  
turn valve on

Check for leaks with  
Soapy water. NEVER a  
match or flame

4

5

Bubbles Indicate a  
leak

Recheck fittings and  
check again for leaks.  
If still present DO NOT  
USE

6
