Laundry Bleach

Our Laundry Bleach is an oxygen-based whitening wonder and can be used as an antibacterial and sanitising in-wash whitener, odour and stain remover using only plant-based surfactants.

Code	Description	Config.
BLB124	Laundry Bleach	12 x 400g

Use in conjunction with Bio-D Laundry Liquid or Washing Powder, it removes stains, keeps whites light and colours bright with an oxygen-based agent to lift dirt and stains.

- ✓ Effective at low temperatures
- ✓ Allergy UK Certified
- ✓ No water used in production
- ✓ Natural alternative to chlorine bleach
- ✓ Tested and proven effective at temperatures less than 20°
