

Reading Test

- Hold the test at a distance of approximately 35cm (14")
 - Read the text until you begin to experience difficulty reading.
 - Refer to the heading of the paragraph to determine the eyesight correction appropriate for you.
 - Try glasses with the corresponding correction to verify the improvement.
-

+3.00

Opulize glasses are designed for your eyes only

+2.50

They all have flex hinges and rubber coating so the pain remains out of sight and out of mind.

+2.00

Whatever your taste you'll find plenty of colours and styles to mix and match.

+1.50

All of our glasses come at a reasonable price.

+1.00

We don't compromise on quality.

+0.00

If you can read this, you are not long-sighted. May we recommend Blue Block glasses instead?
