This is what I'm currently doing myself, the belly buster!!!! 3 products, 10 days, amazing results! I'm on day 7 and 5lb down and feeling so much better in myself. Less bloating, more energy, better quality sleep, less appetite. I have 3 meals a day and maybe a snack or two but I used to be a CONSTANT picker..... there is no special diet with these plans..... just a healthy balanced lifestyle and plenty of water. DM me for more info!! I think the cost would surprise you!
