

IT'S TIME TO APPLAUD!

Recommend an Exceptional Volunteer Today!!!

For over 125 years, the National **PTA** has worked toward improving the lives of every child in education, health, and safety. In 1910, Founders Day was established to celebrate the legacy, commitment, and work of our National PTA founders: **Alice McLellan Birney and Phoebe Apperson Heart, as well as Selena Sloan Butler**

DO YOU KNOW someone who is deserving of some very special recognition? Our **PTA** recognizes special people for their outstanding dedication to children at our school and in the community at large. Please take a few minutes of your time and tell us who **YOU** think should receive these awards:

HONORARY SERVICE AWARD:

Special recognition of outstanding service to children and youth, going above and beyond what is asked of them.

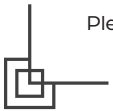

CONTINUING SERVICE AWARD:

May be given to an individual in special recognition for their continued service to children and youth, and who may or may not have received a previous California State PTA Honorary Service Award.

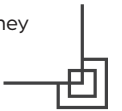

GOLDEN OAK SERVICE AWARD:

This is the most prestigious PTA award in California. This award may be given to an individual who has made significant long-term contributions to the welfare of children and youth in the school and/or community.

FEEL FREE TO PROPOSE MORE THAN ONE PERSON!

Please submit your selections for a deserving individual (or multiple individuals or company) and state a brief reason why you think they should be honored. Their contributions may include volunteer service to children or youth in PTA, school, scouts, sports, charitable foundations, or religious organizations.
