

A-Frame

Plate Series

H: 87 cm, W: 81 cm, D: 49 cm

Description

Straight lines meet triangular shapes in the A-frame stand, and together it forms a simple, yet striking design.

Made from powder coated steel, the stand is steady and sturdy, yet light enough to easily be moved around. The freestanding A-frame stand is a timeless still contemporary design that allows you to decorate your home in new and different ways.

Material

Powder coated As S235 3mm steel sheet with matte finish.
