

# Bendy Tall

## Plate Series

### Description

Featuring slightly bended legs and flat feet, Bendy Low makes a playful and functional addition to any home.

The stand has a tall posture giving the screen just the right angle when used from a sitting position. Made in steel, Bendy Low is sturdy and steady. It has a powder coated surface leaving it with a matte, sleek appearance.

### Material

Powder coated As S235 3mm steel sheet with matte finish.
