Instructions:

Using the Plug-in Lamp is a breeze.

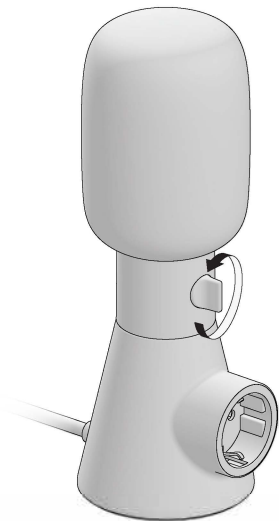

Just plug it into any suitable outlet, and you're good to glow!

To illuminate your space,
just rotate the dial clockwise.

Keep turning to adjust the brightness to your liking.

When it's time to sleep, simply turn the dial counter-clockwise.
This will dim the light and eventually turn it off.

Attention!

Do not connect multiple units in sequence.
Do not insert one adapter into another adapter.
Ensure the product remains uncovered during operation.
Disconnect power by pulling the plug from the outlet.
Exclusively for indoor use in dry environments.
Avoid overloading beyond electrical rating.
Dispose of damaged units.
Adhesive metal disc may damage walls and surfaces.
The light source of this luminaire is not replaceable;
when the light source reaches its end of life the whole
luminaire shall be replaced.

This product is only intended for adult use.
This product is not a toy - keep away from children.

The crossed-out wheeled bin symbol indicates
that the product should not be discarded as
unsorted waste but must be sent to separate
collection facilities for recovery and recycling.

Plug-in Lamp:	220V - 240V ~ 2.5W
Power Split:	16A 250V ~
Power Base:	16A 250V ~ - 50/60 HZ
