

Tilted

Plate Series

H: 76 cm, W: 81 cm, D: 49 cm

Description

The straight, slightly tilted legs of Tilted Stand give the design edge and functionality. The tilted feature gives the TV screen a slightly leaned back position that allows it to be placed on the floor while securing a good viewing angle.

Made of powder coated steel, Tilted Stand is durable and sturdy, yet light enough to be moved from one room to another. The rounded edges of the legs are an elegant contrast to the solid steel construction.

Material

Powder coated As S235 3mm steel sheet with matte finish.

Dimensions

H: 76 cm, W: 81 cm, D: 49 cm

Packaging Dimensions

H: 10 cm W: 80 cm, D: 35 cm

Packaging Material

Cardboard

Weight

Product: 7,6 kg

Incl. packaging: 9,7 kg
