- General Industry
- Manufacturing
- Packaging
- Transport
- Warehousing

Applications

- Assembling, inspecting and packing delicate parts
- Assembly and fastening components
- Electrical component assembly and installation
- Loading trucks and vehicles
- Adjusting systems and screwing
- Light assembly applications requiring a high degree of precision
- Shipping and receiving, handling cartons and packaging
- General material handling

- 3D-COMFORT FIT**
 With its lightweight 15-gauge nylon and spandex materials, the gloves are comfortably fitted to your hands allowing ultimate precision while completing tasks.
- EXCELLENT GRIP ON ANY SURFACE**
 The gloves have a breathable, water-based, foam nitrile rubber coating that provides excellent grip and durability. They are also non-slip, which reduces hand fatigue as you maintain a power grip on your tools.
- TOUCHSCREEN COMPATIBLE & REUSABLE**
 Touchscreen compatible fingertips, so you can take calls and send texts, without having to remove your gloves. They are also washable and reusable.
- ULTIMATE HAND PROTECTION**
 Our safety gloves are CE EN 388 4142 certified so you can complete light to medium-duty tasks without worry.
