- Loading trucks and vehicles
- Adjusting systems and screwing
- Light assembly applications requiring a high degree of precision
- Shipping and receiving, handling cartons and packaging
- General material handling

■ ULTIMATE HAND PROTECTION

Made of 13-gauge HPPE, fiberglass, nylon, and spandex with a foam nitrile coating and are CE EN 388 4544 rated for the greatest possible protection from all types of cuts.

■ 3D-COMFORT FIT

Our 3D-Comfort Fit design provides comfort and flexibility, so you can stay focused while working without having to worry if your gloves will fall off.

■ SUPERIOR GRIP IN ALL CONDITIONS

Whether you're trying to hold onto something that's slipping through your fingers or work with oily or wet substances that are just too slippery for any other glove to handle, these gloves will keep up with you in the most demanding situations.

■ TOUCHSCREEN CAPABLE

The Cru553 gloves are made with touchscreen-compatible fingertips, so you can take calls and send texts without having to remove your gloves while you work.
