Applications

- Eye Protection

- **MADE FROM HIGH QUALITY MATERIALS AND ANSI CERTIFIED**
 Made with durable polycarbonate material that is impact-resistant, so they can be worn while working in all kinds of settings. CE EN 166, EN 170 and ANSI/ISEA Z87.1 certified.
- **WORK EFFICIENTLY AND CLEARLY**
 Designed to absorb 99.9% UV rays, and are free of tinted lenses, which means you can see clearly while protecting your eyes during a tough job.
- **COMFORTABLE WITH THE PERFECT FIT**
 The arms can be extended into three different lengths to accommodate any face shape, and the soft-grip double injected rubber at the tips will keep your glasses in place.
- **USE ANYTIME AND ANYWHERE**
 Ideal for any situation such as woodworking, construction, carpentry, cycling, shooting and DIY projects. Easy to clean, and great for use anywhere.
