- **A COMFORTABLE PROTECTION AGAINST THE COLD WEATHER**
 Made with waterproof synthetic leather, offering a great protection against the cold and wet weather. Made of thermal insulation, with a 40g thermal 3M insulate liner and 160g fiberfill for extra warmth.
- **ADJUSTABLE FIT**
 An adjustable hook and loop closure keep the gloves secure to the wrist, while the built-in elastic keeps them comfortably snug.
- **INCREDIBLE GRIP**
 These gloves offer a reinforced palm and fingertips, which means they can handle even the most extreme conditions without slipping off while you're working.
- **TOUCHSCREEN CAPABLE**
 The thumb and index fingers are also touchscreen capable which allows you to access your touchscreen devices easily without taking off your gloves.
