

Eos Picnic House by Matthew Hilton

Eos Picnic House by Matthew Hilton

The Eos Picnic House offers a playful solution to alfresco dining, combining a table and roof structure that provides shade from the summer sun. Part of the Eos outdoor collection, the Picnic House is available in a monochrome colour palette of black or white.

Crafted from weather resistant powder-coated aluminium, the structure is robust and impervious to rust with a lightweight, durable and low-maintenance

The roof is covered with waterproof Sunbrella® fabric, which is easy to clean, whilst being highly UV resistant. Eos is a contemporary outdoor collection which is physically and visually light, smartly proportioned and very comfortable. Certain to inspire leisurely outdoor living and dining during the long days of summer, this collection was named after Eos, the Greek goddess of dawn and bringer of light.

Designed by Matthew Hilton, the Eos Range was awarded the Design Guild Mark Award in 2016.

Made in China.

Key Features

Fully weather resistant and non-rusting
 Lightweight, durable and low maintenance
 Suitable for contract use

Technical / Construction
