

# Assembly Instructions

Step 1. Take the bracket and mark the holes for screws at the desired height, ensure that the bracket is straight using a spirit level.

Step 2. Use the correct wall fixing depending on your wall material/type to connect the bracket to the wall.

WALL FIXING NOT SUPPLIED

Step 3. Carefully take the mirror and lift on top of the wall bracket so that the rear panel of the mirror rests neatly up against the rubber pad of the bracket and make sure that it is roughly central on the bracket.

# Care Instructions

# Lucent Mirror

Lucent Mirror – designed by Matthew Hilton

To prolong the life of the product and retain its appearance and functionality, we would like to give you some relevant information and care advice:

This unit is manufactured from toughened glass.

The mirror has been made produced with UV bonded joints.  
Care should be taken to make sure that no unnecessary stress is placed on the mirror.

It is recommended that no abrasive cleaners or solvents are used to clean the unit.  
Please only use proprietary glass cleaners or alternatively, warm water with a diluted mild detergent.

We thank you for purchasing this product and wish you many years of enjoyable and functional use.
