

Oki-Nami Stool by Nazanin Kamali

Oki-Nami Stool by Nazanin Kamali

The Oki-Nami stool is a simple design which takes its influence from Japan creating a contemporary stool that reflects the craftsmanship, proportion and attention to detail found in Japanese creative industries. It is suitably comfortable and durable enough for restaurant environments as well as within the home.

The double footrests give the stool a clean and balanced aesthetic and it is finished with a leather upholstered seat pad.

The Oki-Nami collection was designed as a bespoke product for the Oki-Nami Japanese restaurant in Brighton, UK. Nazanin Kamali designed the interior of the restaurant and worked with Case to create the tables, chairs and stools.

Made in Lithuania.
