

Strata Shelving by Matthew Hilton

Strata Shelving by Matthew Hilton

The Strata shelving designed by Matthew Hilton offers a practical and decorative shelving for the contemporary home. With its exposed shelves, Strata is ideal for storing books, baskets and decorative accessories.

The Strata Shelving unit is available in individual sections that can be combined with as many additional units as needed to create wider storage. The unit comes in two sizes, a high and a low version. Available in oak, walnut and black stain, the staggered back panels adds an architectural diversion to the design, which is enhanced with each unit added.

Made in Lithuania.
