Batch numbers:

Batch number can be found printed on the base label of the product.

Base label located here:

EXAMPLE OF BASE LABEL:

**Why the product is recalled:** The products were sold without the warning information that is required for products containing button/coin batteries.

**Hazard:** There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and swallow or insert them.

Consumers may be unaware that the product contains a button battery.

1. Consumers should immediately place the product out of reach of children.
2. Consumers can contact MCoBeauty Customer Service via email [info@mcobeauty.com.au](mailto:info@mcobeauty.com.au) providing relevant batch number to establish whether the product is identified as affected. Batch number can be located at the base of the product. Batch number is printed directly on base label.
3. Consumers can contact MCoBeauty Customer Service via email [info@mcobeauty.com.au](mailto:info@mcobeauty.com.au) to arrange for the required warning information to be provided.
