

How to make a

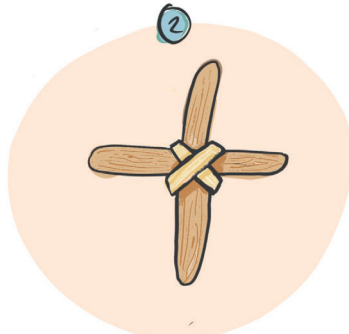

# PLASTICINE PUPPET

with LIZZIE SIMPSON

You will need: Plasticine, 2 Lolly Sticks, string and tape!

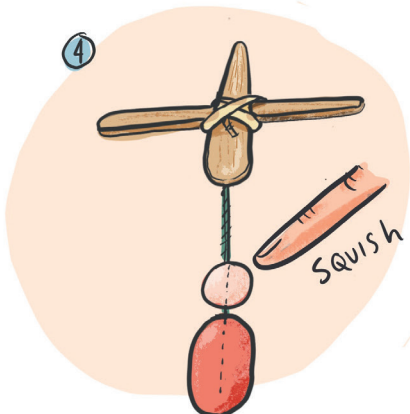

1. Criss cross the lolly sticks

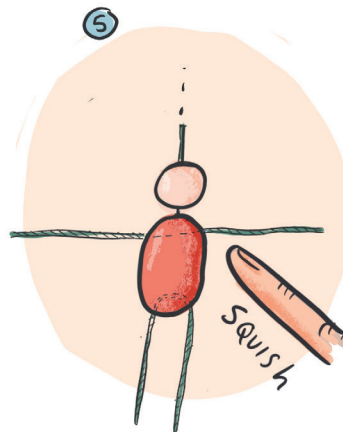

2. Tape them together

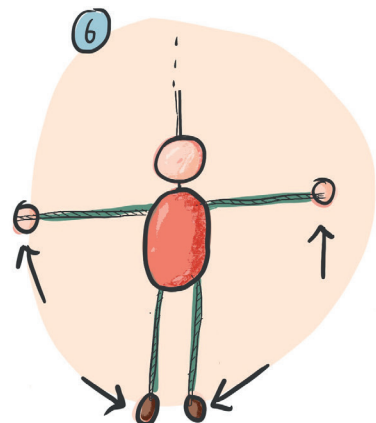

3. Attach 15cm of string from the middle

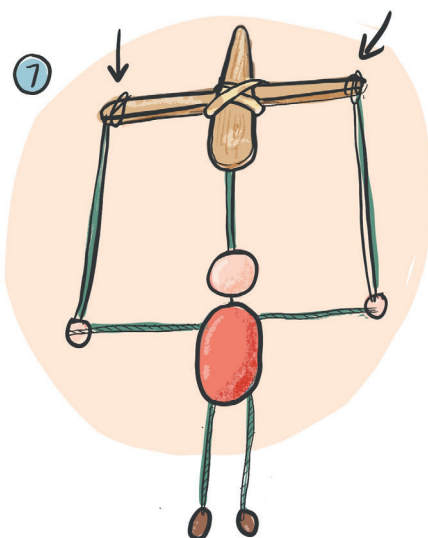

4. Make a plasticine ball and push it onto the string for a head. Do the same for the body

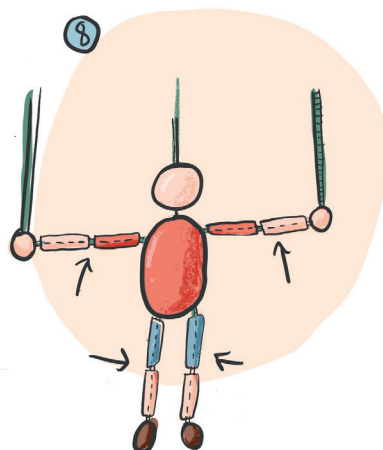

5. Push string into the body for the arms and legs. smooth other and reshape afterwards.

6. Squash little balls on the hands and feet. These will act as weights.

6. Add string from the hands to the top of the cross bar. secure with tape

6. Add little sausages for the arms, leave space for the elbow and knees for flexibility

6. Shape the body and face and add details!
