No-Touch Dispenser

ADS-500/1000

With the No-Touch ADS-500/1000 dispenser, hand disinfection cannot be any easier.

The ADS-500/1000 sensor dispenser is suitable for 500ml and 1000ml standard / Euro bottles.

1 Hygienic
The No-Touch feature prevents nosocomial infections.

2 Variable
The pump can be easily changed for liquid soap or disinfectant. The bottle cavity is adjustable to fit 500ml and 1000ml bottles.

3 Flexible
Battery powered and can be placed anywhere on the counter or mounted on the wall.
