

DERMASTIR®

Dermastir Gold Radiance Cream - 50ml

The anti-age formula of Dermastir Cellular Gold Radiance Cream with a combination of prime quality ingredients is known to provide radiance and visible hydration to the skin by penetrating beyond its surface.

Regenerating and repairing properties of the Dermastir Cellular Gold Radiance Cream are guaranteed by the innovative luxury airless packaging. Presented in an airless dispensing system to ensure maximal stability of ingredients from oxygen, bacteria, heat, light and humidity. It is said that already in Ancient Egypt Cleopatra herself used a gold mask every night to keep her skin glowing, hydrated, and radiant.

DULL SKINTONE

SKIN REPAIR

CELLULAR
RADIANCE

DAY/NIGHT
HYDRATION

ANTI - WRINKLE
ANTI - AGE

Gold Jojoba Esters

Rich in isoflavones, provide a perfect treatment for a mature skin.

Sodium hyaluronate

Moisturizes, prevents drying out and premature signs of ageing.

Echinacea Purpurea Root Extract

Loaded with antioxidants, protects the skin, repairing action.

Sunflower Seed Oil

Emollient, decreases inflammation, replenishes skin barrier.

Shea Butter

Potent moisturizer and emollient, reduces the appearance of rough skin.

Directions For Use

Apply the Dermastir Gold Cream with light massaging movements on the face and neck. Avoid the eye contour area. You can use the Gold Cream as a day and night cream.

MADE IN FRANCE

Oxygen

Airless jar protects from oxidation. The ingredients maintain their bioavailability from the first till the last application.

Heat

Thermos effect. The airless packaging consists of 3 jars nested into 1, protecting from conductive heat.

Light

Metallic coating reflects infrared rays, protecting from the light and direct sun exposure.

Humidity

The airless jar maintains its microclimate and pH level, protecting from the humidity.

Bacteria

Prevents the risk of microbiological contamination. The optimal amount is delivered with the pump. No need to touch the product.

AIRLESS PUMP TECHNOLOGY

Protects from oxidation

Metallic Reflecting Technology

Protects from infrared rays and radiant heat

Actuator Airless Technology

Protects from bacteria

Vacuum Flask Technology

Protects from conductive heat

Dermastir Gold Cream & Isoflavones

After a certain age, women face a decrease in estrogen and, subsequently, loss of estrogen receptors on skin cells such as fibroblasts. This leads to the clinical signs of dryness, skin thinning and wrinkling.

Dermastir Gold Cellular Radiance Cream is rich in isoflavones and thanks to that is a perfect treatment for a mature and estrogen-deficient skin.

Isoflavones are phytoestrogens that trick the cells, stimulate them and as a result give a younger-looking aspect to the skin. Moreover, isoflavones have been proven to be effective to provide anti-oxidant and anti-ageing action, as well as hydrating and smoothing properties.
