

Dermastir Ampoules - Luxury Serum

Dermastir Ampoules are luxurious anti-ageing serums that contain concentrated active ingredients. The active ingredients provide targeted action against signs of ageing and various skin conditions, improving the quality of the skin and its aspect.

Dermastir Ampoules are presented in single-dose 2-3 ml ampoules made of special medical glass that prevents any risk of oxidation or contamination. Thanks to this monodose packaging, the serums deliver to the skin the freshest formula with maximum performance of active ingredients.

Dermastir Ampoules can be used in combination with aesthetic machines such as ultrasound, galvanic, high frequency, RF, PDT LED

The high concentration of active ingredients of Dermastir Ampoules provides visible results which last even longer if ampoules are used as course treatments. Dermastir Ampoules can be used at home, during aesthetic treatments and with aesthetic machines. Dermastir Ampoules can be used directly on the skin or mixed with a cream or the mask.

Dermastir Luxury Ampoules Amino Acids

The Dermastir Amino Acids Ampoules moisturize and repair the skin at a cellular level, making it stronger and more supple. Amino acids are essential natural moisturizing elements, found in the outer layer of the skin, known as stratum corneum. They are crucial factors, responsible for the maintenance of the overall skin health and the high levels of hydration. Exclusive cocktail of amino acids is very effective in thick skin types that needs to have strong collagen fibers to keep the skin firm and prevent sagging.

Amino Acids

stimulate collagen and elastin synthesis. Amino acids contribute to the trophism of the collagen fibers creating firmer skin that is less prone to sagging and other signs of aging. Amino acids are truly versatile ingredients that complement other beneficial skincare ingredients, from antioxidants to plant extracts to omega fatty acids.

DIRECTION FOR USE

Break the top of the skincare ampoule. Distribute the precious serum directly on the skin or mix in a cream or in a mask. Massage delicately on the interested areas until completely absorbed.

NORMAL PROGRAMME

1. Apply one skincare ampoule every seven days for a month.
2. To consolidate the obtained results repeat phase 1.

INTENSIVE PROGRAMME

1. Apply one skincare ampoule every three days for a month.
2. To consolidate the obtained results repeat phase 1.

WARNINGS: Do not expose yourself to the sun. Avoid contact with eyes and in case rinse with water. The skincare ampoule tip must be broken by using a piece of cloth.
