

Dermastir Ampoules - Luxury Serum

Dermastir Ampoules are luxurious anti-ageing serums that contain concentrated active ingredients. The active ingredients provide targeted action against signs of ageing and various skin conditions, improving the quality of the skin and its aspect.

Dermastir Ampoules are presented in single-dose 2-3 ml ampoules made of special medical glass that prevents any risk of oxidation or contamination. Thanks to this monodose packaging, the serums deliver to the skin the freshest formula with maximum performance of active ingredients.

Dermastir Ampoules can be used in combination with aesthetic machines such as ultrasound, galvanic, high frequency, RF, PDT LED

The high concentration of active ingredients of Dermastir Ampoules provides visible results which last even longer if ampoules are used as course treatments. Dermastir Ampoules can be used at home, during aesthetic treatments and with aesthetic machines. Dermastir Ampoules can be used directly on the skin or mixed with a cream or the mask.

Dermastir Luxury Ampoules Diamond Peptides

Dermastir Ampoules Diamond is a luxury product by Alta Care Laboratoires with real diamond powder in an argan oil base. Dermastir Ampoules Diamond give brilliance and radiance to the skin and leave the skin supple and glowing. The shine and the light reflections of the diamond powder on the skin have a beneficial effect when visibly reflected. This reflecting effect is better known as "crystal therapy" when the light amplifies the energy, which provides benefits to the skin.

Diamond Powder

Diamond powder is frequently used in products that are meant to remain on skin as a brightener.

The diamond powder sits on the skin and disguises fine lines and other imperfections.

Diamond powder reflects and bounces light, manipulating it to even skin tone and create a youthful effect.

Argania Spinosa Kernel Oil

Argan Oil hydrates and softens the skin. Contains high vitamin E and fatty acid content. Argan oil is an ideal product to give skin a natural boost.

It absorbs easily and is non-greasy and non-irritating. Argan oil is known for its sebum regulating effects.

Hydrolyzed Sweet Almond Protein

The beneficial properties of almond derivatives have been known since ancient Hindus, who used a paste made of crushed almonds as body cleanser. This plant-derived natural ingredient is loaded with vitamins and minerals, with restorative and anti-oxidant action.

Prunus Armeniaca Kernel Oil

Emollient plant oil rich in Vitamin E and nourishing fatty acids (oleic acid, linoleic acid). Helps to protect the skin and boost cell repair processes.

DIRECTION FOR USE

Break the top of the skincare ampoule. Distribute the precious serum directly on the skin or mix in a cream or in a mask. Massage delicately on the interested areas until completely absorbed.

NORMAL PROGRAMME

1. Apply one skincare ampoule every seven days for a month.
2. To consolidate the obtained results repeat phase 1.

INTENSIVE PROGRAMME

1. Apply one skincare ampoule every three days for a month.
2. To consolidate the obtained results repeat phase 1.

WARNINGS: Do not expose yourself to the sun. Avoid contact with eyes and in case rinse with water. The skincare ampoule tip must be broken by using a piece of cloth.
