

Dermastir Ampoules - Luxury Serum

Dermastir Ampoules are luxurious anti-ageing serums that contain concentrated active ingredients. The active ingredients provide targeted action against signs of ageing and various skin conditions, improving the quality of the skin and its aspect.

Dermastir Ampoules are presented in single-dose 2-3 ml ampoules made of special medical glass that prevents any risk of oxidation or contamination. Thanks to this monodose packaging, the serums deliver to the skin the freshest formula with maximum performance of active ingredients.

SERUMS

MONODOSE

Medical glass ampoules

Quantity: 10 x 3ml

Dermastir Ampoules can be used in combination with aesthetic machines such as ultrasound, galvanic, high frequency, RF, PDT LED

The high concentration of active ingredients of Dermastir Ampoules provides visible results which last even longer if ampoules are used as course treatments. Dermastir Ampoules can be used at home, during aesthetic treatments and with aesthetic machines. Dermastir Ampoules can be used directly on the skin or mixed with a cream or the mask.

Dermastir Luxury Ampoules Moisturizing Post-Op

Dermastir Moisturizing Post-Op Ampoules have calming and soothing properties and are especially recommended for the dry and sensitive skin conditions thanks to the combination of cornflower extract and the linden extract.

Dermastir Ampoules Moisturizing provide refreshing hydrating properties and prevent water loss. Dermastir Ampoules Moisturizing have superior hydrating properties than gels and creams because the ingredients in the serum are stored in a monodose glass ampoule. Dermastir Ampoules Moisturizing are used often in combination with sunblocks when sunbathing to give added hydration to the skin.

DRY SKIN

ANTI-WRINKLE

REDNESS

AFTER SUN

DULL SKINTONE

Cornflower Extract *Centaurea Cyanus*

Cornflower is known for its soothing qualities, and it is therefore especially beneficial for sensitive and dry skin. The tannins in the extract have stimulating and refreshing properties.

Linden Extract *Tilia Platyphyllos*

An extract from the flowers of linden, which is an emollient and soothing agent for the skin. Linden's aroma is a beautiful, sweet, light floral.

Major active constituents in linden are flavonoids and glycosides. Flavonoids are potent antioxidants and glycosides are monosaccharides and have water-binding properties. The skin appears visibly more hydrated, plump and fresh.

Lactic Acid

reduces fine lines, improves skin tone and texture, prevents oiliness and breakouts.

DIRECTION FOR USE

Break the top of the skincare ampoule. Distribute the precious serum directly on the skin or mix in a cream or in a mask. Massage delicately on the interested areas until completely absorbed.

NORMAL PROGRAMME

1. Apply one skincare ampoule every seven days for a month.
2. To consolidate the obtained results repeat phase 1.

INTENSIVE PROGRAMME

1. Apply one skincare ampoule every three days for a month.
2. To consolidate the obtained results repeat phase 1.

WARNINGS: Do not expose yourself to the sun. Avoid contact with eyes and in case rinse with water. The skincare ampoule tip must be broken by using a piece of cloth.
