## Dermastir Luxury Ampoules Zinc Gluconate

Dermastir Ampoules Zinc Gluconate aid in repairing the skin and prevent outbreaks by regulating the activity of the oil glands. Dermastir Ampoules Zinc Gluconate are indicated for the oily skin, prone to imperfections and enlarged pores.

Zinc Gluconate is the salt of gluconate and zinc II. It is an ionic compound consisting of two moles of gluconate for each mole of zinc. Zinc is an important element that is found in every cell in the body. More than 300 enzymes in the body need zinc to function properly.

Zinc is also used in hair preparations to improve the quality of the hair scalp.

### Zinc Gluconate

**SKIN REPAIR:** Zinc is a mineral required for the synthesis of collagen, which is a requirement for the skin repair. It is also a component in the proper functioning of enzymes that are required by the body to repair its tissues.

**PORE ASTRINGENT:** Zinc gluconate has mild astringent properties. It acts as a skin-drying agent. Zinc gluconate also helps soothe the skin, relieving the symptoms of various skin conditions.

**SKIN IMPERFECTIONS:** Zinc is also recognized for its benefit in the symptomatic relief and prevention of skin imperfection. Zinc in the form of zinc gluconate is thought to promote skin repair and calm the skin affected by imperfections and excessive oil gland activity.

**DANDRUFF:** Zinc is often found in dandruff shampoos and is effective in helping to improve the quality of the hair scalp.

### DIRECTION FOR USE

Break the top of the skincare ampoule. Distribute the precious serum directly on the skin or mix in a cream or in a mask. Massage delicately on the interested areas until completely absorbed.

### NORMAL PROGRAMME

1. Apply one skincare ampoule every seven days for a month.
2. To consolidate the obtained results repeat phase 1.

### INTENSIVE PROGRAMME

1. Apply one skincare ampoule every three days for a month.
2. To consolidate the obtained results repeat phase 1.

**WARNINGS:** Do not expose yourself to the sun. Avoid contact with eyes and in case rinse with water. The skincare ampoule tip must be broken by using a piece of cloth.
