## Dermastir Peel off Vitamin C - 30g

The Vitamin C Peel off mask is a powerful antioxidant mask that enhances natural luminosity of the skin and helps to prevent pigmentation. Dermastir Peel off mask - Vitamin C stimulates the skin metabolism and the formation of collagen, protecting the skin cells from free radicals and oxidative stress.

ANTIOXIDANT  
ANTI-AGE  
BRIGHTENING

## Dermastir Peel off Argan - 25g

The Argan Peel off mask provides high levels of nutrition to the skin, hydrates and softens it. Dermastir Peel off mask - Argan contains the ingredients with sebum-regulating effect and unique absorbing properties which draw excess oil and impurities from the skin like a magnet.

## Dermastir Peel off Cryo Algae - 30g

The Cryo-Algae Peel off mask performs a cooling effect on the skin and helps to improve the microcirculation. Dermastir Peel off mask - Cryo Algae contains the ingredients necessary for cell repair, skin elasticity and youthful aspect, leaving the skin clean and refreshed.

### DIRECTIONS FOR USE:

Mix 100ml of water with the Dermastir Peel Off powder. Using a spatula or a teaspoon stir quickly and vigorously for one minute to get a homogeneous paste. Apply the paste immediately to the face and leave the mask to perform at least 10-15 minutes. Then remove it by peeling off in one whole piece. Eliminate the eventual residues with a tonic.

### DERMASTIR PEEL OFF MASKS
